Programs

Thursday, Feb. 18th- Butterfly Gardens

Come learn how to attract butterflies to your garden and how to create a habitat to keep them there.

Speaker: Pam Paulsen, Reno Co. Horticulture Agent.

Thursday, March 17th- Fruit & Vegetable Gardening for 2016 & Gardening with “ Raised Beds”

Come learn from the best! Ward will share growing tips & techniques that all gardeners can do!

Speaker: Ward Upham, KSU Horticulture Specialist

Thursday, Apr. 14th- Attracting Song Birds to Your Landscape

Come learn how best to attract birds & how to provide food & habitat to keep them in your landscape.

Speaker: Don Fast, McPherson Native & Kevin Groenewey, Wichita Area Birder

Thursday, May 26th- “Made in the Shade with Hostas”

Hostas continues to reign as the most popular of all perennials. In this presentation we will look at how to successfully select, plant and care for your hostas as well as the top 20 most popular hosta cultivars (the “tried and true”) and what's hot among the latest hosta introductions

Speaker: Rob Mortko, The Hosta Guy

*Hostas will be available for purchase

Saturday, June 25

June Bloom Tour

*Tour 5 Gardens!
