### Requirements:

1. Check the blank. Fill in the year you received the gold pin. If you do not know, contact the Extension Office.
2. Check the blank. Write down the number of exhibits. (If you attended more than one of the listed events, you can combine your exhibits for a total number - do not break it down per event). List the event(s) you exhibited in.
3. Check the blank. Mark the type of presentation, the title of the presentation and the specific date it was given. (All must be completed to count).
4. Check the blank. Fill in the number of meetings held and the number you attended. If you do not know how many meetings you attended, contact the secretary of your club.

  9. This means that you were the “Jr. Leader” or assistant for a project. There was another leader that you assisted. You do not have to be enrolled in leadership for this to count or be listed on the club's leader list.

19. This means your name should have appeared in the previous year's Achievement Banquet program as either the county champion or the blue award winner for a project. This is based on your record books, not exhibits at the fair. Honorable mention does not count.
